

4/4/14                    **CURRICULUM VITAE**

Barry E. Guitar  
Professor  
Department of Communication Sciences  
University of Vermont  
Burlington, Vermont 05405

### **EDUCATION**

Ph.D.	University of Wisconsin (Madison)	1974
M.S.	Western Michigan University (Kalamazoo)	1967
B.A.	Dartmouth College (Hanover, N.H.)	1966

### **PROFESSIONAL HISTORY**

1986-present	Department of Communication Sciences, Univ. Vermont	Professor
2008-present	Department of Communication Sciences, Univ. Vermont	Coordinator of Graduate Admissions
1998-2002	Department of Communication Sciences, Univ. Vermont	Chair
1995-1998	Department of Communication Sciences, Univ. Vermont	Director of Graduate Studies
1991-1995	Department of Communication Science and Disorders University of Vermont	Chair
1982-1983	Department of Psychiatry University of New South Wales	Honorary Visiting Fellow
1982 -	Hearst Foundation Laboratories University of Vermont	Director
1986-	Department of Communication Science and Disorders	Professor

	University of Vermont	
1979-1986	Department of Communication Science and Disorders University of Vermont	Associate Professor
1976-1978	Department of Communication Science and Disorders University of Vermont	Assistant Professor
1975-1976	University of New South Wales Teaching Hospital Sydney, Australia	Senior Research Officer
1974-1975	The Prince Henry Hospital Sydney, Australia	Director of Stuttering Treatment Programs

## **HONORS**

- 1979      Second Place Tie, Editor's Award  
            Journal of Speech and Hearing Disorders
- 1980      Nominee, Editor's Award  
            Journal of Speech and Hearing Disorders
- 1980      Wall of Distinction Award, Western Michigan University
- 1983      Leo DiCarlo Award for Outstanding Clinical Achievement in Vermont
- 1987      Elected Fellow of American Speech-Language-Hearing Association
- 1994      Kroepsch-Maurice Award for Excellence in Teaching
- 1995      Carnegie Foundation Award for Vermont Teacher of the Year
- 2000      Malcolm Fraser Award for Excellence in the Field of Stuttering
- 2003      Distinguished Alumnus Award, Western Michigan University

## **SPECIAL ASSIGNMENTS**

Associate Editor      Journal of Speech and Hearing Disorders  
(1989-91)

Editorial Reviewer      Journal of Speech and Hearing Research  
(1976-present)

Editorial Reviewer      Journal of Fluency Disorders  
(1990-present)

Editorial Reviewer      American Journal of Speech-Language Pathology  
(1997-present)

Editorial Reviewer      Contemporary Issues in Communication Science and Disorders  
(1997-present)

Book Review Editor      Journal of Fluency Disorders  
(2004-2008)

Topic Coordinator for Fluency      2011 ASHA Convention  
(2010-2011)

ASHA Convention Fluency Committee      2012-2013

### **GRANTS AWARDED**

TEACHER-INVESTIGATOR DEVELOPMENT AWARD, NIH, 9-1-80 to 8-31-85

INVESTIGATION OF TIMING CONTROL IN STUTTERERS, NIH, 8-1-81 to 7-31-83

US-AUSTRALIA COOPERATIVE SCIENCE PROGRAM AWARD, NSF, 10-1-83 TO  
1-31-85

RESEARCH ADVISORY COUNCIL GRANT, UVM, 3-3-87

UNIVERSITY OF VERMONT COLLEGE OF NURSING AND HEALTH SCIENCES  
RESEARCH INCENTIVE GRANT 10-15-10 TO 6-16-2011

UNIVERSITY OF VERMONT COLLEGE OF NURSING AND HEALTH SCIENCES, Bridge  
Funding for continuation of Research Incentive Grant 6-10-12 to 6-30-13

### **CURRENT ADVISING**

30 Undergraduate Students  
Faculty Director of Peer Advising

### **CURRENT GRADUATE STUDENT TRAINING**

Supervision of students in ongoing clinical treatment and students in monthly diagnostics.  
Directing 2-3 graduate research projects.  
Directing the education of 1 Ph.D. student

### **CURRENT UNDERGRADUATE STUDENT RESEARCH MENTORING**

2 undergraduate honors theses (2010-2011)  
1 undergraduate honors thesis (2012-2013)  
1 undergraduate honors thesis (2013-2014)  
Mentoring 4-5 undergraduate research activities

### **PUBLICATIONS**

1. **Guitar, B.** Reduction of stuttering frequency using analog electromyographic feedback, J. Speech and Hearing Research, 18, 672-685 (1975).
2. **Guitar, B.** Pretreatment factors associated with the outcome of stuttering therapy, J. Speech and Hearing Research, 19, 590-600 (1976).
3. **Guitar, B.** and G. Andrews, An inexpensive cumulative counter, J. Applied Behavior Analysis, 10, Fall, (1977).
4. Daniel, B. and **B. Guitar** EMG feedback and recovery of facial and speech gestures following neural anastomosis, J. Speech and Hearing Disorders, 43, 9-20 (1978).
5. **Guitar, B.** and C. Bass Stuttering therapy: The relation between attitude change and long-term outcome. J. Speech and Hearing Disorders, 43, 392-400 (1978).
